MSA BRITISH AUTOCROSS CHAMPIONSHIP

Rounds 5 & 6 26th & 27th September - Greenbelt MC

**2009 BRIDGE WHEELS & TYRES ASWMC
SPRINT CHAMPIONSHIP**

Four events remain in this years championship and the top of the table remains in the hands of Graham Harden, with Ian Parr second, some six points behind and Andy Potter a further four points behind.

**2009 BRIDGE WHEELS & TYRES ASWMC
HILLCLIMB CHAMPIONSHIP**

With just one round remaining it has been all change at the top of the table with Steve Clarke having a 5 point lead over Mike Lee in second Stewart Lillington a further three points behind. Championship Sponsor Mike Potter is lying in 4th place. Former Championship leader Andrew White is now lying in 5th place some 22 points behind Clarke.

Richard Egger Insurance

All change at the top—Ian Howard now holds a 19 point lead over Derek Hill, with Richard Davies relegated to third place and just four points behind Hill.

NDMC have now rearranged their Autocross for the 3rd & 4th October and everyone should now have regs for this event and it will now be the last rounds of the 2009 Championship (weather permitting!)

I mentioned earlier about proposed changes to the Autocross classes—a proposal has been sent to Howard West for approval at the AGM on 25th October to create a new class for juniors and this will be as follows:

Class F Juniors—aged 17 and under.

It is hoped that by including this class it will encourage youngsters to take up Autocrossing as a way into Motorsport.

**PROPOSED CHANGES TO THE SCORING SYSTEM FOR ASWMC HILLCLIMB &
SPRINT CHAMPIONSHIPS**

FOR INTRODUCTION IN 2010.

You may recall that I asked for feed back in respect of proposed changes to make to the scoring system a fairer process, and to stop class swapping and people entering “soft” classes where the bogey times were easily obtainable and to take away the unfairness if the event is wet.

I have considered all of the comments and options available and the following are the changes that I propose are brought in for 2010.

Championship Rule 19 (to be inserted under table):

INSERT: In the event of a tie between two or more competitors, Championship Placing will be awarded to the competitor scoring:

- i) The highest number of maximum scores, continuing down the table of scores until the tie is resolved.***
- ii) The highest number of event class wins followed by event positions (2nd, 3rd etc)***
- iii) Their Championship score in the fewest number of events.***
- iv) Where appropriate, the competitor who has achieved their score by beating the highest number of competitors will be the winner.***
- v) If a tie exists the position will be held jointly.***

Revised Rule 2(replacing 3 &4)

Championship points will be awarded as follows:

Fastest Registered contender in class – 20 points

(If there is only one registered contender in the class then 19 points will be awarded)

Second fastest registered contender in class – 19 points

Remaining contenders in class: 19 points minus 0.01 points for each 0.01sec that their time is greater than that of the second placed finisher.

The minimum score shall be 1 point.

I feel that this is the fairest way forwarded, as it stops the above and also encourages those that may be slow to carry on and do events.

These proposals will be submitted for approval at the AGM on 25th October 2009.
