

SPEED & AUTOCROSS CHAMPIONSHIP BULLETIN September 2009

Well here we are almost at the end of the 2009 Championship year. The Hill Climb season has already finished and this coming weekend sees the final round of the Sprint championship and the final two rounds of the Autocross championship.

Attached as always are up to date tables, the Hill Climb Championship table is final, but the Sprint and Autocross tables are giving the positions including dropped scores, but these are all dependent on what happens this weekend!

I will issue a further newsletter which will include the final tables and hopefully a calendar for 2010, but I know you are all a keen bunch and I attach the 2010 Registration Form, which Jannine hopes you will find a bit more user friendly! Please download it and return it to her with your fees as soon as possible. Remember include your email address so you continue to receive regular Championship updates from me and regulations for events from organising Clubs.

Thank you all for supporting the Championships and the ASWMC in 2009, and to the sponsors for their continued support and here's looking forward to an even more successful 2010!

Grahame Harden still leads the Championship, despite having a disastrous round at Chivenor, with just the Mutley Mayhem to run this weekend. He remains eight points clear of Ian Par with Andy Potter a further 10 points behind him. Only this weekend will tell if Grahame will retain the title he won last year

Congratulations to Andrew White on taking the 2009 Championship title by a margin of 2.83 points from Steve Clarke in second and Mike Lee 0.51 points behind him. It was a very close finish at the end.

Apologies for the confusion regarding the Mamhead scores but these have now been rectified in the attached tables.

Richard Egger Insurance

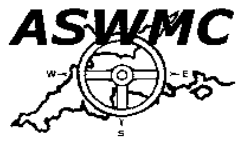

Well how close is this one to call?

Currently Phil Martin has a slight lead over Richard and Malcolm Davies with all to play for in the final two rounds, the Championship looks like it will go right down to the wire!

An amendment to the classes has been put forward for 2010 and this involves the creation of a class specifically for juniors, to encourage youngsters into motorsport, more information will follow in due course on this.
