Welcome to the first Newsletter of 2010, which sees us only a week away from the start of the Speed Championships at Castle Combe. Also a warm welcome to all of those that have joined the Championship for the first time.

I hope that all three Championships are as close competitively this year as they were last year, but do remember that the scoring system for the speed championships has changed this year making it what we hope will be a fairer system and thereby cutting out the targeting of "soft classes".

All speed competitors please note the following:

**As from the 1-1-2010**

**All competitors must wear FLAME RESITANT GLOVES the onus of proof rests with the competitor, the specification for the gloves is found Page 177 regulation S9-2-1 Appendix 1 table 14.3 Ref gloves. Any competitor that cannot prove the gloves at scrutineering will be issued with a scrutineering fail notice.**

Please also do not forget that this year sees the introduction of a Junior Autocross Class , and we hope that this will encourage young members of motor clubs to get into grass roots motorsport. If you have any questions regarding this then please contact me.

I will be aiming as last year to get newsletter out on a monthly basis once the season is in full flow, but bear with me as my secretary has just gone back to work full time!

*Darren*

***Finally..... For those that have not renewed from last year, come on get motivated for this year and renew your membership!***
