ASSOCIATION GENERAL RULES

1. Title:

The name of the Association shall be: " The Association of South Western Motor Clubs".

2. Objectives:

- (a) Consultation and liaison with and between, member clubs.
- (b) Assist and advise member clubs on all aspects of the organisation and promotion of motorsports events.
- (c) Represent the interests of member clubs with, the MSA, the ACU, adjacent Regional Associations of Clubs, the Sports Council, other bodies having any connection with motor sports and any other statutory and non-statutory bodies.
- (d) Consultation on the production of the calendar of events, routes, areas of activity and support and assistance in obtaining and maintaining use of venues and facilities.
- (e) Promotion of Championships for Clubs and their members, and any other initiatives to further the interests of Motor Sports and Motor Sports Clubs.
- (f) Organisation and promotion of Training.
- (g) All other matters concerned with motorsports.

3. Membership:

Membership shall be open to any MSA recognised club (or one seeking MSA recognition), or regional centre of recognised club.

The application for membership must be accompanied by the following:-

- a) A full subscription for the year.
 - b) The club shall state its motives for seeking membership of the Association.
 - c) A description of the history and/or formation of the club, its aims and the senior officials.
 - d) The Application to be forwarded to the General Secretary who will table it at the next Executive Committee Meeting, or by circulating to the full Executive Committee for their decision.
- The General Secretary will then advise the club in writing of the decision made.

Regional centres of national clubs will be regarded as separate entities for the purposes of membership and liable for a full subscription.

4. Officers & Executive Committee:

The Officers of the Association shall be:- President, Vice Presidents, Chairman, General Secretary, Treasurer, Championship Co-ordinators, Championship Registration Secretary, Public Relations Officer, Forestry Liaison Officer, Training Co-ordinator, Yearbook Editor, Championship Newsletter Editor, Cornwall Liaison Officer, Trophies Officer, Venue Development Officer and Webmaster. The positions of President and Vice Presidents shall be open to former officers who have given outstanding service to the Association. They shall be ex-officio members of all ASWMC Committees. The positions shall be for life, or until the holders indicate they no longer wish to serve.

The Executive Committee shall consist of the Officers, plus three members directly elected at the AGM. Additional members may be co-opted as necessary.

5. Elections:

All Officers and Executive Committee members, with the exception of President and Vice Presidents, shall be elected annually at the Annual General Meeting and will be eligible for re-election. They will assume Office on 1st January succeeding the AGM at which they are elected. Nominations, from member Clubs only, should be made in writing to the General Secretary by 31st August, accompanied by acknowledgement of nomination by the nominee.

6. Council:

The Council shall consist of the Officers plus 1 voting delegate representing each member club. Those Officers and delegates actually present at any Council meeting, shall constitute a quorum. The Council may authorize the formation of Sub Committees to conduct certain business on its behalf. Membership of any Sub Committee shall be at the invitation of the Executive Committee.

7. Meetings:

Ordinary meetings of the Council shall be held twice annually, Spring and Autumn. A Special General Meeting shall precede the Spring meeting, for the sole purpose of approving the previous year's accounts. The Autumn meeting being the Annual General Meeting for the purposes of Election of Officers and Committee and ratifying Rule and Regulations changes.

Additional Council meetings may be convened only if:

- a) The Executive Committee declares urgent business so demands.
- b) So requested in writing by at least six member clubs.

At least 21 days notice shall be given for all meetings. Each member club may send up to two delegates to any Council meeting.

The Executive Committee shall meet as and when necessary, but not less than once per annum.

Any Sub Committee shall meet as and when it shall decide.

Voting at meetings shall be on a one vote per club basis. A simple majority deciding any vote.

8. Invitations:

Invitations may be extended by Council for representatives of any body interested in, or concerned in, motor sport to attend any meeting.

9. Rule & Regulation Changes:

Association General Rules, Championship Rules or any Championship Regulations, may not be amended in any way except by Council at the Annual General Meeting, or a Special General Meeting called specifically for that purpose, in accordance with General Rule 7. Member Clubs must be notified of proposed amendments in advance of the meeting.

Resolutions for changing Rules or Regulations at the AGM may be made by a member club, in writing to the Secretary by 31st August.

10. Finance:

The financial year shall be from 1st January to 31st December. Subscriptions shall be due on 1st January annually or at time of application for membership. The subscription for each club shall be as laid down in General Rule 11.

Clubs will be invoiced for the subscription due, payment to be made only against this invoice.

A 'Statement of Accounts' shall be produced at the Spring Special General Meeting and circulated to all member clubs. A list of clubs in arrears of subscription will be presented to the Spring meeting. Clubs still in arrears 60 days after the Spring meeting MAY have their membership terminated.

11. Annual Subscription:

The Annual Subscription for each club shall be £35 if payment is made by BACS or Standing Order, or £40 if made by cash or cheque. Where Clubs have not paid the Annual Subscription by the date of the Annual General Meeting the Association reserve the right to remove such Clubs from the Association and impose a re-joining fee of £50 in addition to the Annual Subscription fee.

12. Club Responsibilities:

Member clubs must notify the General Secretary annually of the name, address and telephone number of their principle Officers on the form provided. Subsequent changes to Officers must be notified as soon as possible after any change.

Clubs may also be required to supply other information in order that the Association may successfully carry out the objectives contained in Rule 2.

13. Association Correspondence:

Association correspondence shall normally be sent to the Club Secretary, unless the ASWMC General Secretary is notified, in writing, of an alternative recipient.

14. Fixture List:

Clubs must send details of proposed fixtures, in the required format, to the Year Book Editor by the date specified in the Year Book and on the Date Application Form, circulated to all clubs.

A Provisional Fixture List and Provisional Championships Calendar for the following year will be circulated to all member clubs with the agenda for the AGM.

Amendments to the published Fixture List should be made to the relevant Championship Secretary/Co-ordinator. No date application should be made to the MSA unless included in the Association calendar or application made for inclusion.

15. Invitations to Events:

Any event that is scheduled as a qualifying round of an ASWMC Championship, is automatically allowed to invite all ASWMC member clubs to participate in that event, without specific acceptance from the General Secretary.

ALL OTHER events of National B or higher grade, intending to invite all ASWMC member clubs to participate, MUST continue to obtain acceptance in the usual way, before issuing SR's. (See MSA Competitors Yearbook D4.3.4)

16. Publications:

The Association shall produce an 'Annual Year Book & Fixture List', which shall be circulated to all member clubs and any other persons or organisations deemed suitable. A club's annual subscription shall entitle it to an allocation of 5 copies of the Year Book.

The Association shall also produce and circulate periodic issues of 'South West News' to all member clubs. It shall also circulate periodic issues of 'ASWMC Championship News', to all registered championship contenders.

ASSOCIATION CHAMPIONSHIP RULES

(Applicable to all ASWMC championships)

1. General:

The ASWMC Championships will be promoted and administered in accordance with the General Regulations of the Royal Automobile Club Motor Sports Association (incorporating the provisions of the International Sporting Code of the FIA), the Championship Rules listed hereunder and the Regulations specific to each individual championship.

2. Competitions Licences:

The minimum grade of competitions licence required is "Clubman" for Autosolo, Autotest, Classic Reliability Trial, Car Trial and Sporting Trial Championships and "National B" for all other championships.

3. Judicial:

Disputes, protests and appeals will be resolved and all other judicial procedures conducted, in accordance with the relevant paragraphs of Section 'C' of the MSA Competitors Year Book, except for the following.

- i) In the event of a championship contender being excluded from the results of an event in accordance with C 3.1 or 3.1.1, then the penalties described in C 3.5.3, will be applied.
- ii) A protest against points awarded or not awarded of any Championship must be lodged with the Co-ordinator of that Championship within 7 days of the Championship provisional results being published.

4. Safety:

Safety requirements in all championships will be in accordance with Section 'K' of the MSA Competitors Year Book and appropriate other Sections according to type of event.

5. Championship Stewards:

The panel of Championship Stewards for all ASWMC Championships shall be as listed in the current edition of the ASWMC Year Book. Any three Stewards from the panel shall constitute a quorum.

6. Championship Co-ordinators:

Championship Secretaries/Co-ordinators for all ASWMC Championships shall be as listed in the ASWMC Year Book.

7. Championship Season

The period from the first weekend in January to the first weekend in December inclusive, shall normally constitute the ASWMC Championship season.

8. Championship Events:

- a) Member clubs may nominate any of their events to be included in the championship calendar. For Autocross, Hill Climb, Rally and Sprint events these must be National B or higher status. For Autosolo, Autotest and Trials, Clubmans status events are permitted. Nominations should be made when application is made for a date to be inscribed in the Association Fixture List. If any championship is incomplete after the AGM, the appropriate Championship Co-ordinator may invite further events to complete that championship, he or she may also nominate events to replace events cancelled.
- b) The qualifying events in each Championship should normally be 2 weeks before or after other qualifying events in that Championship, unless there are two rounds at the same venue over the same weekend. Not more than one event in any championship may take place on the same day.

9. Championship Invitations:

A Club promoting a championship round must invite all contenders registered for that championship, irrespective of any other invitations issued. Supplementary Regulations for all championship events must clearly state that the event is an ASWMC Championship round. All references to ASWMC championships must quote the full and correct title of the championship, including the sponsors name, if any. e.g. **“The (sponsors name) ASWMC (type of event) Championship”**.

10. Supplementary Regulations:

- a) Secretaries of championship rounds **MUST** send a set of draft Supplementary Regulations (SR's) to the appropriate ASWMC Championship Co-ordinator, before the SR's are distributed to competitors. If the SR's comply with all ASWMC championship rules and regulations, the Championship Co-ordinator will issue a letter of acceptance as a championship event. The Championship Co-ordinator will also issue a list of registered contenders or a set of addressed labels, where required, of all the contenders currently registered in the championship to which the event belongs.
If no set of draft SR's is received, no list or labels will be issued.
- b) Clubs promoting championship rounds **MUST** send supplementary regulations to all contenders for whom an address has been obtained above, and make available a minimum of 20 places for registered contenders.

11. Championship Event Results:

A copy of results of every championship event (provisional if necessary), **MUST** be sent to the appropriate Championship Co-ordinator within 7 days of the event taking place. The results **MUST** be accompanied by a detailed Entry List showing classes and engine capacities of competing cars, where appropriate.

In the event of cancellation or postponement, the appropriate Championship Co-ordinator must be notified immediately.

12. Championship Classes:

Where appropriate, classes and other criteria to be complied with, will be specified in regulations for individual championships.

For events forming part of other championships having a different structure, classes and other criteria will be as defined in event SR's.

13. Championship Sponsors:

Sponsors of championships may require Championship Events and Registered Championship Contenders to display sponsors decals on competing cars and to comply with certain other criteria. Organisers will be given full details of the requirements at least 4 weeks prior to the event and will be responsible for ensuring compliance. (MSA Competitors Yearbook. H 29.1.1 to 29.1.3)

14. Compliance with Championship Rules:

Clubs failing to comply with Championship Rules 9, 10, 11, 12 or 13 for a particular event **MAY** render that event ineligible for championship status in the following year.

15. Observers:

All Association championship rallies **SHALL** have an Observer nominated by the Association. The Association reserves the right to appoint an Observer to any other championship event.

16. Championship Eligibility:

Championships are open to the members of all Association member clubs, provided that the club is not in arrears of subscription to the Association.

Promoting clubs **MUST** inspect competitors club membership cards to ensure validity before allowing them to compete.

17. Championship Registration:

Competitors registering for championships must forward the following details to the Registration Secretary on the Registration Form.

- a) Surname and forenames.
- b) Full address.
- c) One ASWMC member club of which they are, or will be, a member in the championship year and to which their points in the Club Championship will be allocated.
- d) Registration Fees as appropriate - Rule 21.

On receipt of registration details and fees, the Registration Secretary will issue the contender with a Registration Card, a copy of the Association Year Book and periodic Championship Newsletters. Registration Cards will show a contenders name, club and championship registration number. This card MUST be produced when signing on for all championship events.

Registrations will be accepted at event signing-on in all Championships, only where the appropriate Championship Co-Ordinator or member of the ASWMC Executive is present. Points will be awarded for events from the date of registration.

NOTE: Competitors are advised to register early by post, in case there is no one at an event to take registrations.

Registration must be made AT LEAST 8 weeks before any event, for a contender to be entitled to receive supplementary regulations from the organisers of that event.

18. Championship Results:

Championships will be awarded to the drivers, and navigator/co-drivers where appropriate, who have scored the highest number of points in the qualifying events, according to the following table, unless the regulations for a particular championship state otherwise.

15 or over	Events Run - Best 10 results to count
13 or 14	Events Run - Best 9 results to count
12	Events Run - Best 8 results to count
10 or 11	Events Run - Best 7 results to count
8 or 9	Events Run - Best 6 results to count
6 or 7	Events Run - Best 5 results to count
Less than 6	Events Run - All results to count

In the event of a tie between two or more competitors, Championship placings will be awarded to the competitor scoring:

- i) The highest number of maximum scores, continuing down the table of scores until the tie is resolved.
- ii) The highest number of event class wins followed by event positions (2nd, 3rd etc)
- iii) Their Championship score in the fewest number of events.
- iv) Where appropriate, the competitor who has achieved their score by beating the highest number of competitors will be the winner.
- v) If a tie still exists the position shall be held jointly.

19. Championship Awards:

- a) The number of awards made in any championship shall be proportional to the number of contenders scoring points in that championship, to a maximum of 10 places, according to the following table:

1 to 3	contenders scoring - First Place only
4 to 7	contenders scoring - First and Second Places
8 to 15	contenders scoring - First Three Places
16 to 25	contenders scoring - First Four Places
26 to 35	contenders scoring - First Five Places
36 to 45	contenders scoring - First Six Places
46 to 55	contenders scoring - First Seven Places
56 to 65	contenders scoring - First Eight Places
66 to 75	contenders scoring - First Nine Places
Over 75	contenders scoring - First Ten Places
- b) The presentation of Championship Awards will be made annually at a suitable time and venue decided by the Council.

20. Championship Trophies:

The Association shall be responsible for the custody of all perpetual trophies. Trophies must be returned to the Trophies Officer not later than 1st December, or at any other such time as required for engraving. Replicas, or any other awards shall become the property of the winners.

All trophies loaned to the Association shall remain the property of the donor. Trophies to be loaned in perpetuity, but if no longer awarded or the ASWMC be disbanded, shall be returned to the donors. The Association shall be responsible for keeping a schedule, which shall be published in the year book.

21. Championship Fees:

Schedule of fees payable by competitors for registration as a Championship Contender.

Hill Climb	£14	Autocross	£10
Sprint	£14	Junior Autocross	FOC
Stage Rally	£15	Classic Reliability Trial	£10
Navigational Rally	£10	Sporting Trial	£10
Novice Navigational Rally	£10	Car Trial	FOC
Endurance Rally	£10	Autotest	FOC
All-Rounders	FOC	Autosolo	FOC
Under 21's	FOC		

NOTE: Competitors registering for the All-Rounders or Under 21's Championships must pay the appropriate fee for the individual championships.

22. Inter Association Teams

The relevant Championship Co-ordinator will be responsible for the selection of Inter Association Teams. Wherever possible the team members will consist of the top Championship contenders. Other contenders can only be appointed if the top contenders are not available.

A Message to all our Member Clubs

The ASWMC Council Meetings are held twice annually, the attendance of our member clubs has been very poor over the past few years, we can only presume that we are doing a satisfactory job, so you don't need to attend the meetings.

But we do value your feedback and coming along to see what we do and the opportunity to chat to other clubs, to discover what they are doing and forge possible partnerships to help run events, can only be of benefit to your club. It is a lot easier to ask another club for help if you have personally met the person on the other end of the phone.

So if you don't want to come and see us would you like us to come and visit you?

Club Nights?

If you would like one or two of us to attend one of your club nights, to chat to your members about what the ASWMC does, especially our Championships and Marshals Training and how easily your members can get involved.

The Marshal's register originally run by all the regional associations has now been centralised and is now run by the MSA, it covers all disciplines and progress through the various grades is achieved by attending events and training days.

It is an MSA requirement that to maintain your grading, a training day is attended at least once every 2 years.

Registered marshal receive a credit card size registration card, which will show your photo and grade. These are issued annually with event and training log cards as required.

Training days and locations and disciplines can also be found under "training days" on The Volunteers in Motor Sport web site. www.volunteersinmotorsport.co.uk

Further information and latest updates can also be obtained from: Roger Nunn, ASWMC Training Officer. Email: training@aswmc.org.uk

A GUIDE TO ASWMC CHAMPIONSHIP DISCIPLINES

Autocross

Autocross events run on off-road circuits of about 1000m normally on grass or stubble, with the exception of the 4 a-breast Sandocross on the beach at Weston-Super-Mare. Timing is against the clock, with up to 4 cars on track at the same time. Conditions of the track can change rapidly, so you need to be adjusting your driving technique all the time to find the best traction to achieve the fastest time. The event starts with practice followed usually by at least two timed runs, with the fastest time to count for results.

You can start to compete in Autocross events from the age of 14. As long as you have a National B MSA Competition Licence, the basic safety gear of fire resistant overalls, gloves, crash helmet and a fire extinguisher, you can take your everyday car and have a go. Cars vary from Standard Road Cars, Rally Cars, Lightweight Autocross Cars and Specials. Full regulations and requirements can be found in Section 'N' of the MSA Competitors Year Book.

Minimum Age: 16 (14 for Junior Autocross)

ASWMC Championship Registration Fee: £10 Registration is free for Junior Autocross competitors.

MSA Competition Licence requirement: Any National B, Cost from £43

Autosolo

Autosolos are run on sealed surfaces only, normally a large car park or airfield. Courses of numbered cones are laid out around the venue and competitors take turns to drive the tests. The tests are all forwards and competitors should be able to drive the course without needing to shunt or use the handbrake. Penalties are applied if course markers are hit or the wrong route is driven. The winner being the driver with the lowest accumulated time over all the tests.

Competitors may be required to marshal on some events and are split into groups, so that one group is competing, one marshalling and the other preparing their cars. The groups will then rotate until all drivers have completed the tests.

All cars in Autosolo events must be driven to the events, so will be required to be insured, taxed and MOT'd, with classes ranging from standard cars to modified and sports cars. Full regulations and requirements can be found in Section 'M' of the MSA Competitors Year Book.

Minimum Age: 16

ASWMC Championship Registration Fee: Free

MSA Competition Licence requirement: Clubman, Cost £27

Autotest

Autotesting is the art of precision car control against the clock over a predetermined course. The course is marked out with cones or poles, each competitor is given a map of the route they must take, showing the direction of travel (forwards or reverse) and various other manoeuvres such as 360 spin turns, reverse flicks, stop astride lines or slalom through a line of cones. Time penalties for hitting cones or going too far over a stop lines are added to the final time for the test. An incorrect test will incur a more severe penalty normally in the region of 30 secs, this is added to the fastest correct time in that class, this is also the maximum time that can be given for that test. Each event will normally consist of between 12 and 24 tests, the driver with the lowest accumulated time over all the tests will be declared the winner.

Cars for Autotest vary from standard road going, sports cars, to chopped down specials, but size doesn't matter as Championship points are Class based. Full regulations and requirements can be found in Section 'M' of the MSA Competitors Year Book.

Minimum Age: 16

ASWMC Championship Registration Fee: Free

MSA Competition Licence requirement: Clubman, Cost £27

Stage Rallying Sealed & Loose

Stage Rallies can be sealed surface or loose surface events and comprise of several competitive stages, with the winner being the crew (driver and co-driver) that completes them all in the lowest aggregate time.

Before you start you need a full driving licence and then you need to buy an MSA Go Rallying pack, pass a BARS test and then apply for a Rally National B Stage Competition Licence. If you just want to co-drive, you can apply for a Navigator's licence without having to pass the BARS course.

You will need a car that complies with the MSA regulations. This will involve modifying the car with safety components such as a roll cage, special seats and harnesses, fire extinguishers and the vehicle will require an MSA Log Book, which shows that it has been prepared to the correct specifications. As Stage Rally cars have to use the public highway to get between stages the car will also need to be taxed and insured with an MOT certificate.

Stage Rallying involves much higher speeds on closed roads you will need MSA-compliant safety items such as a helmet, fireproof overalls, boots and gloves. Full regulations and requirements can be found in Section 'R' of the MSA Competitors Year Book.

Minimum Age: Driver: 17 + RTA, Navigator: 16

ASWMC Championship Registration Fee: £15

MSA Competition Licence requirement: Driver: Stage National B, Cost £57

Navigator: Any National B, Cost from £43

Navigational Rallying: Open & Novice

Road Rallies take place on the public highway at night and the emphasis is as much on navigation as driving skill. The events are a natural progression on from club 12 car navigational events.

Crews must maintain a time schedule through all the control points. The navigators use Ordnance Survey maps to direct the driver around the route, collecting codes or obtaining signatures as proof of passage. Timed controls are manned and the crews will be penalised for arriving late or early at these controls.

All you need is a taxed and insured up to 4cyl engined road car with a valid MOT certificate to take part in Road Rallies, while the navigator requires an OS map of the area, a pen or pencil and a lamp. Full regulations and requirements can be found in Section 'R' of the MSA Competitors Year Book.

Minimum Age: Driver: 17 + RTA, Navigator: 12

ASWMC Championship Registration Fee: £10

MSA Competition Licence requirement: Any National B, Cost from £43

Endurance Rallying

Endurance Rallying is a friendly and low-cost form of Rallying. It is a combination of off road sections called selectifs and a night road rally route. Selectifs are always on private land. The surface could include forest tracks, airfield runways, farm tracks or military training areas. The crew must complete a prescribed route and carry out certain manoeuvres in the shortest possible time. These selectifs can be anything from just a few hundred yards to 20 miles long!

The Road Rally section usually takes place at night, mainly on public roads. It uses straightforward navigation where the object is to maintain the correct time schedule, while following the right route. In total, endurance rallies are usually around 300 miles long.

Cars are restricted to standard specification 1400cc naturally aspirated petrol, 2000cc naturally aspirated diesel or 1400cc forced induction diesel engines and transmissions must also be standard. Suspension modifications are permitted, the car must be fitted with roll over protection and tyres are limited to List 4 of the MSA Permitted Tyres. Full regulations and requirements can be found in Section 'R' of the MSA Competitors Year Book.

Minimum Age: Driver: 17 + RTA, Navigator: 12

ASWMC Championship Registration Fee: £10

MSA Competition Licence requirement: Any National B, Cost from £43

Hill Climb & Sprint

Hill Climbing is our most popular discipline. Cars individually tackle an uphill course, with the quickest time dictating the winner. Competitors are given practice runs before the competition starts and you'll get two competitive runs, with your best time counting in the final results. Course lengths tend to be around the 600m to 1200m on sealed surfaces only and venues use the same course every year, so you are not just competing against other competitors, you are trying to beat your own personal best for that hill.

Sprints are based on flat circuits or airfields, courses tend to be over 1400m up to 3000m and again courses rarely change so year on year you can go back to beat your personal best.

There are currently 21 Classes, ranging from standard road cars to F1 spec single seaters. You will need basic safety equipment, such as helmet, fireproof overalls and gloves.

Full regulations and requirements can be found in Section 'S' of the MSA Competitors Year Book.

Minimum Age: 16

ASWMC Championship Registration Fee: £14

MSA Competition Licence requirement: Any National B, Cost from £43

Car Trials

Car Trials (formally known as PCT's) are without doubt one of the cheapest forms of motorsport.

The aim is to drive the car between markers over a fixed course, this will often be a slippery field, you must achieve this without striking the marker posts or stopping. Courses are marked out with penalty points ranging from 12 to 1, if you make it through to the end of the course without touching the marker posts, you won't incur any penalties. Several tests will be laid out and the overall winner is the competitor with the smallest number of marks. Competitors are split into classes, such as engine over driven wheels etc and championship points are awarded on class position, not the overall position. A standard car is all that is needed to start in Car Trials and you can start from the age of 14. So whatever car you have, your in with a chance.

Full regulations and requirements can be found in Section 'T' of the MSA Competitors Year Book.

Minimum Age: Driver: 14, Front Passenger: 12

ASWMC Championship Registration Fee: Free

Minimum MSA Competition Licence requirement: Clubman, Cost £27

Classic Reliability Trials

Classic Trials are run over multiple venues using old lanes and sections in wooded areas, road mileage is involved, so all vehicles need to comply with the Road Traffic Act. Marking is the same as Car Trials with marker posts going from 12 down to 1, some sections will include a restart for some classes, where the car has to stop astride a line and then pull away without running back, events also incorporate special tests, which are against the clock, these are used as tie breakers for competitors who finish on the same marks at the end of the day. Cars used vary from vintage to modern and are generally modified to provide extra ground clearance as sections can be quite rough with deep ruts.

Full regulations and requirements can be found in Section 'T' of the MSA Competitors Year Book.

Minimum Age: Driver: 17 + RTA, Passengers Front: 14, Rear: 2, Note 2 to 12 Years in a Child Seat.

ASWMC Championship Registration Fee: £10

Minimum MSA Competition Licence requirement: Clubman, Cost £27

Sporting Car Trials

Sporting Trials use purpose built lightweight trials cars. The sections have marker posts starting at 12 down to 1, and can be very steep and involving very sharp turns. The driver and passenger need to work as a team, with the passenger moving their weight to where the traction is needed as these cars climb hills that are difficult to walk up. Cars will need to be transported to events, so a trailer or large van will also be required.

Full regulations and requirements can be found in Section 'T' of the MSA Competitors Year Book.

Minimum Age: Driver: 16, Front Passenger: 14

ASWMC Championship Registration Fee: £10

Minimum MSA Competition Licence requirement: Clubman, Cost £27

All-Rounders

Open to any competitor who registers for two or more of our main championships, the chosen disciplines must be from different groups as detailed on page 35. Points will be awarded for the relative position that the competitor finishes their chosen main championships in relation to the total number of scorers in that championship and also for the number of events competed on within each championship, up to a maximum of 8 events. The two best scores will then be added together for the final total.

ASWMC Championship Registration Fee: Free

Under 21's

The ASWMC Under 21's Championship is open to anyone under the age of 21 on the 1st of January of the Championship Season. The competitor must register for one of our main championships and points for the under 21's will be awarded for the relative position that the competitor finishes their chosen main championship in relation to the total number of scorers in that championship and also for the number of events competed on within each championship, up to a maximum of 8 events. If a competitor is registered for more than one main championship, then the best score will count towards the Under 21's Championship.

REGULATIONS

1. The Open Navigational Rally Championship shall be open to any Driver or Navigator, except those as defined as being eligible for the Novice Navigational Rally Championship, competing for separate awards. It shall consist of events run under either Road Rally or Navigational Rally permits having a minimum of 90 miles. All contenders' vehicles should comply with MSA Technical Regulations for NAVIGATIONAL RALLIES, as defined in section R of the MSA Competitors Year Book.

2. Points will be awarded to registered championship contenders only, according to the following table.

Relative position of championship contender	1	2	3	4	5	6
Points scored	18	15	13	12	11	10 to 15th place
Points will be awarded to both Driver and Navigator.						

3. Where two or more competitors tie for a position in the results, the competitor who has completed the greater proportion of the event from the start, without penalty, or if all incurred penalties at the same point, the competitor with the lesser penalty, shall be the winner. If a tie still exists all competitors involved in the tie shall be awarded the points for the highest place involved in the tie.
4. It is not necessary for a Driver and Navigator to remain as a team throughout the duration of the championship.
5. A perpetual award will be made to the club organising the highest marked event in the championship each year.
6. A Driver will always take the classification of his, or her, current Navigator.

Recommendations:

All championship rallies are recommended to conform to the following standard penalties and definitions, which should be printed, or otherwise referred to, in event Supplementary Regulations.

a) Penalties:

The TIME system of marking should be used.

- i) Failure to visit a Time Control – 30 minutes
 - ii) Failure to visit a Route Check, Passage Control or Secret Check - 5 minutes
 - iii) Wrong direction of approach to, or departure from, a control or check - 5 minutes
 - iv) Failure to comply with route instructions by visiting a control or check more than once – 15 minutes
- b) If a Passage Control is unmanned and a CODE BOARD substituted, evidence of visiting that control should be verified at the next MANNED control.
 - c) CODE BOARDS should be accordance with MSA: R.11.3 – 11.3.3 and sited so as to be CLEARLY visible and readable from within a competing car without the need to stop.
 - d) A brief explanation of all route definition methods to be used should be notified to competitors in Supplementary Regulations / Final Instructions.
 - e) Organisers should state exact edition of any map to be used on an event.
 - f) The map reference of the next route hand out control and/or MTC, should be given as the last instruction on any route card or set of route instructions.
 - g) MTC's at ½ way and/or other rest halts, should not be sited at the "IN" or immediately preceding "TIME" control, in order that competitors may make up time lost on the previous section, without risk of exclusion.
 - h) Whenever possible secret checks should be established immediately following observed Give Way junctions.
 - i) DSO's should be appointed at events to witness behaviour at Slow signs and the use of dipped headlights.
 - j) A Quiet Zone (QZ) should not be permitted in a Competitive Section, unless it is less than 100metres, and it must be clearly marked. It is probably better to state that there should not be a Competitive Section on an event, if there is a QZ of more than 100metres in that portion of the event. If the QZ is 100metres or less, then this must be clearly marked on the road. All rallies in the championship should appoint a MSA licensed scrutineer. An ASWMC nominated Series Scrutineer may be appointed to act as a "Judge of Fact" to ensure compliance with any of the regulations.
7. A maximum of 2 Senior Officials on events may claim 12 championship points each for organising an event in the Championship calendar. This claim can only be made once in a Championship year. These Officials must be named in the event regulations.

 - E2. Racing Cars over 1100cc up to 1600cc
 - E3. Racing Cars over 1600cc up to 2000cc
 - E4. Racing Cars over 2000cc

Note 1: All cars must comply with S.10.1-10.9.

Note 2: All cars with engines running on diesel fuel will be subject to a 30% capacity reduction. E.g. 2000cc diesel engines equate to 1400cc and will be eligible for class A1 or B1 according to their classification.

Note 3: Series Production Cars are defined as cars complying with S.11.1.1, 11.3-5.1, 11.6-8.

Specialist Production Cars are defined as cars complying with S.11.1.2, 11.3-4, 11.5.2-8.

Modified Series Production Cars are defined as cars complying with S.12.1, 12.3-6.1, 12.6.3-12.9.2.

Modified Specialist Production Cars are defined as cars complying with S.12.2, 12.3-12.5, 12.6.2, 12.6.3-12.9.2.

Sports Libre Cars must comply with S.14 and Racing cars with S.15.

Rally Cars must comply with R.46-49 AND S.14. Included in the latter Category would be Group B cars, any cars without the original engine block of the model entered, and car with a transmission layout not as originally specified for that model, or a Specialist Rally Car without an engine complying with S.12.6.2. They need not be taxed.

Note 4: The onus of responsibility for the eligibility of vehicles competing in the championship rests with the Entrant/Competitor. In the event of a dispute concerning the compliance of a vehicle to the regulations, the onus will be on the competitor to satisfy the organisers, NOT the organisers to prove compliance.

NOTE 5: Event Organisers are urged to use the above class structure.

2. Championship points will be awarded as follows:

First in class (if an ASWMC Registered contender) – 20 points plus 0.01 points for every 0.01 second their time better than that of the second placed finisher up to a maximum of 21 points.

(If there is only one finisher in the class, who is an ASWMC Registered Contender, then 20 points (max) will be awarded)

Second in class, if an ASWMC Registered Contender – 20 points

Remaining contenders in class: 20 points minus 0.01 points for each 0.01sec that their time is greater than that of the second placed finisher.

The minimum score shall be 1 point.

In addition to the above scoring system a bonus for breaking the record for the class at a venue will be awarded by 0.01 for each 0.01 second up to a maximum of 1 point.

Class records will be records set by ASWMC contenders only.

Class points will be based on all entries in the class.

Existing class records will be posted before the start of the season, if no record for a class exists then the record from an equivalent class will apply plus 0.01 second. Similarly any class record that is disproportionately slow will be adjusted accordingly.

3. When registering, contenders MUST nominate, on the Championship Registration Form, the class in which they intend to contest the championship and in which their championship points are to be awarded. Contenders wishing to change class MUST notify the Championship Co-ordinator in writing, by email or by post. Letters must be postmarked not later than the day prior to the event in which the change is to be operative. Emails must be sent not later than the day prior to the event in which the change is to be operative. The onus is on the Championship Contender to prove that an email was sent, and received, within the allowed timescale.

Failure to comply with the above may result in loss of championship points.

4. Clubs may vary, amalgamate or subdivide classes at events as they feel necessary, but must provide the Championship Co-ordinator with Entry Lists and Results showing the cars competitors actually drove so as to allocate points correctly, especially in respect of Regulation 2 above. Where there are less than 3 competing in a class, this may be amalgamated and the points based on the amalgamated class.

5. Not more than 2 rounds shall normally be held at any venue using the same course. Venues with more than one course shall be limited to not more than two rounds on any course. This regulation may be waived to maintain the viability of the championship.

REIS ASWMC ALL-ROUNDERS CHAMPIONSHIP

(Introduced in 2011)

MSA Championship Reg.No: 70/2014

1. A championship based upon performances in ASWMC Championships for which the entrant is registered.
2. The best overall performances from disciplines from AT LEAST TWO different championship groups shall determine the winner.
3. Counting Championships/Qualifying Groups:

ASWMC Open Navigational Rally ASWMC Novice Navigational Rally ASWMC Endurance Rally ASWMC Sealed Stage Rally ASWMC Loose Stage Rally	Group A
ASWMC Hill Climb ASWMC Sprint	Group B
ASWMC Autocross	Group C
ASWMC Autotest ASWMC Autosolo	Group D
ASWMC Classic Reliability Trials ASWMC Car Trials ASWMC Sporting Car Trials	Group E

4. **Scoring:** Points will be calculated using the following formula;
$$1 - ((\text{Overall Championship Position} - 1) / \text{Number of Scorers}) \times 100$$
for each ASWMC Championship discipline a competitor is registered. The best two scores from different groups will then be added together to obtain the overall score.
Note: If a competitor is registered for more than one discipline within a group, the discipline with the best score will be used for the calculation of results.
In addition a competitor will score 1 point for each event competed on from their counting disciplines, up to a maximum of 16 events, and no more than 8 events to count from each counting discipline.
5. **Ties:** In the event of a tie, the number of competitors beaten in each of the scoring championships will be added together and the competitor who has beaten the higher number will be declared the winner.

Bridge Tyres & Wheels is a family run business now in its 23rd year.

Mike has over 45 years experience in the tyre industry and in 1999 was joined by his son James, who is the main contact for motorsport tyres. The company philosophy has always been to supply good honest advice to its customers, so come and speak to us for all your tyre needs.

Finally a big thank you to all our motorsport customers for their support and we look forward to seeing you all during the 2014 season.
