EXMOOR TRIAL

Celebrating 70 years, 1948 - 2018

NEW (OLD) FINISH VENUE, CLOSE TO TRAILER PARK

Sunday 28th January

2018

A ROUND OF THE ASWMC CLASSIC RELIABILITY TRIALS CHAMPIONSHIP, ACTC CAR & ACTC MOTORCYCLE CLASSIC TRIAL CHAMPIONSHIPS

OPEN TO ALL MEMBERS OF ASWMC & ACTC MEMBER CLUBS & ACU AFFILIATED MEMBERS.

EXMOOR TRIAL

Inaugural event 1948

28th January 2018

Welcome to the 2018 Exmoor Trial, which is a round of the 2018 ACTC Car and Motorcycle Classic Trial Championships, ASWMC Classic Reliability Trial Championship. This year sees some **big changes** to the route. We have heard on several occasions how some participants **dislike the long haul** back to Barnstaple to collect their tow vehicle. As we are **celebrating 70 years** from when the first Exmoor Trial ran we have **moved the finish** to the Muddiford Inn which is where this event started and finished through the 1950's and early 1960's (this was known as the New Inn, Muddiford during those years). This is only approximately **3 ½ miles from the van and trailer park**. We will still visit Exmoor on route but return over new ground which will open up some fresh sections which we hope will provide you with some interesting challenges.

The route is approximately 75 miles on OS Map 180 in the very north of Devon with a real mixture of sections which are non-car/motorcycle breaking including the infamous Beggars Roost, High Bray and others enjoyed by competitors in previous years. The route will include stops for fuel near the start and during the route. The event will have a MSA dual permit, Clubmans & National B. Those who enter the Clubmans event do not require a MSA Competition Licence, if you want to contend the Championships then you will have to enter the National B event. Motorcyclist who do not have an ACU Trial Affiliation can purchase a One Event Trial Registration, ideal for beginners to have ago. Breakfast will be available for purchase at the Cedars should you need refreshment and meals will be available at the finish venue. You can select how you want to receive your Final Regs, Route Instructions and Results on the entry form - via post or via e-mail.

For those who do not wish to travel on the morning of the trial can find accommodation at either the Cedars Inn (start venue), tel: 01271 371784, or Travelodge Barnstaple Roundswell Services, tel: 0870 191 1845. If you want to book, phone them direct and mention the North Devon Motor Club's trial.

We hope you will enter this event and find the day both interesting and challenging, we are working hard to make it as competitive as possible.

Presidents Appeal

Every year, the President of the North Devon Motor Club selects a charity to benefit from the 'President's Appeal'. During the course of the year, various fund-raising events take place. Also donations are accepted from participants of various sporting events. You can make such a donation, should you wish, via the entry form which accompanies these regulations. A cheque is then presented to the chosen charity at the Annual Awards ceremony in February of the following year.

The charity for the 2018 appeal is Devon Air Ambulance.

(Charity Registration No.1077998)

This is an independent charity, funded by and for the people of Devon, to provide Helicopter Emergency Medical Services and critical transfers.

- d) Engine capacity is limited up to 1300cc.

PERMITTED TYRES

Only tyres which conform to the specification of the ACU may be used.

ACU Tyre Regulations.

Only tyres which conform to the following specification may be used. All tyres will be measured mounted on the rim inflated to a pressure of 14 lbs/sq.in, and must have a nominal aspect ratio of 100/100. Overall width (O) measured at wheel spindle height must not exceed 115mm. (Refer to diagram). Tread depth (A) must not exceed 13mm. All tread blocks in the same circumference must be of the same depth. The space between the tread blocks (B) must not exceed 9.5mm across the tyre or 13mm in a circumferential direction (C). The space between the shoulder blocks (D) must not exceed 22mm. The space across the tread (E) must not extend completely across the tyre measured at right angles to the tyre wall unless broken by a block. All main tread blocks must in principle be parallel with or at right angles to the tyre axis. (Tyre must have the same appearance if reversed and conform in principle with these diagrams). The tyre surface must not be fitted with any subsequently mounted elements such as anti-skid devices, chains, etc. NB: Only tyres available from commercial sources and complying with these dimensions are permitted in competitions. Where the event uses the public highway, tyres must be manufactured to comply with European Tyre & Rim Technical Organisation and have the relevant markings.

Tyres for Long distance Trials Only tyres normally available from commercial or retail sources for use on the public highway (specification as above under "Tyres") are authorised. They shall appear on the tyre manufacturers range catalogue or tyre specification list available to the general public. They must be manufactured to comply with European Tyre and Rim Technical Organisation (ETRTO) requirements in respect of load and speed codes and have a minimum service description

of 45M. The use of MX and Enduro-type tread patterns are not permitted. The space between adjacent tread blocks must in principal not exceed 15mm (distance between tread block corners at diagonal groove intersections may exceed this dimension).
