Recognised  
Club

## Foreword

The Club would like to welcome you to Tregrehan Speed Hillclimb 2019 held in the magnificent parkland of Tregrehan Estate Gardens near St Austell PL24 2SJ.

The committee have decided to keep the 2018 entry fees, so the cost is still £65.00 per event or £125.00 for the whole weekend.

The 2019 Truro Speed Academy are pleased once again to welcome on board Camel Vale Motor Club and Newquay Auto Club. Each will be hosting events that count towards the 2019 Truro Speed Academy, we thank them for their efforts and assistance.

The four speed hillclimbs at Tregrehan over two weekends, will form part of the 2019 TyreMarks ASWMC Hillclimb Championship and the 2019 Cornwall Speed Championship. Also this year, we are running our own Club Speed Championship, kindly sponsored by Richard Bros.

Saturday 23<sup>rd</sup> & Sunday 24<sup>th</sup> June will also form part of the National Motor Cycle Speed Hillclimb Championship and the Club look forward to welcoming the many motorcycle competitors from all over the country.

Saturday 12<sup>th</sup> Sunday 13<sup>th</sup> October will see the second speed hillclimb weekend of the year.

**Please Note: In order to reduce noise levels, the Club will allow tyre warming in the designated area prior to the start line, but we are requesting that competitors keep this to a minimum of once per run.**

## **This year the club are delighted to be supporting Childrens Hospice South West.**

For more than 25 years Children's Hospice South West has been caring for children with life-threatening conditions by providing children's hospice and professional family support services. We are dedicated to making the most of short and precious lives through the provision of the best possible hospice care for children and young people with life-limiting conditions. The care offered at each of our three hospices is not just about medical and nursing support for sick children but enriching lives of the children and their whole family.

We provide care and support to families living in the South West, who have children with life-limiting conditions. We provide specialist palliative care, [respite](#) for the whole family, a [sibling service](#) for brothers and sisters, [emergency](#) support, [end of life care](#) and a [bereavement service](#) for as long as is needed. We welcome [referrals](#) from anyone.

### **Little Harbour, Porthpean, St Austell**

Little Harbour is a home-from-home. A place where each family member can find time and space to feel normal and do the things they enjoy as a Mum, as a Dad, as a brother or sister: as a family, not overwhelmingly as a carer.

### **History**

The Children's Hospice South West Precious Lives Appeal, to open a new hospice to support the families of Plymouth and Cornwall, was launched at the beginning of September 2007 and on 5 September 2011 the announcement was made that the appeal target had been reached.

Little Harbour is set in a spectacular coastal location overlooking St. Austell Bay with beautiful views out to sea. Designed and built with a view to celebrating Cornish building traditions and its close proximity to the sea, Little Harbour has the feel of a 'holiday home' in a relaxed seaside setting.

Little Harbour opened its doors to its first families in December 2011 and is most conveniently situated for families who live in Cornwall, Plymouth and parts of South Devon.

### **Facilities**

At Little Harbour as with all our hospices, families will discover individual children's bedrooms, accommodation for parents and siblings, a wide range of play and therapy facilities – including a messy play area, soft play room, a hydrotherapy pool and a multi-sensory room – and a homely family kitchen and living room.

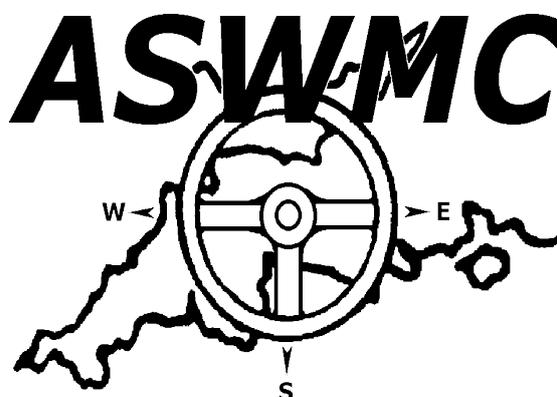

For teenagers staying at Little Harbour they can make use of the IT and music facilities as well as use the games room as a place for chilling out, watching films and taking a few minutes to beat dad at pool.

## Little Harbour's Grounds

Little Harbour benefits from being set within the countryside with views across to St Austell. Children and families can all enjoy time in the gardens together whether it's relaxing with the calming sounds of the water in the Ebb and Flow Garden, enjoying looking out for wildlife in Robin's Song wildlife garden or all of the sensory experiences in Mermaids Cove Sensory Garden.

With accessible swings, picnic tables and pathways as well as plenty of ground for children to play, the garden at Little Harbour is always a popular place to be especially when the sun is shining.

The above information has come from the Children's Hospice South West, which can be visited at [www.chsw.org.uk](http://www.chsw.org.uk)
