Proposed Rule 3 of Targa Road Rally Championship

3. On each event, points will be awarded to registered contenders only, according to the following table:

Relative position of championship contender	1	2	3	4	5	6	
Points scored	18	15	13	12	11	10	to 15th place

Points will be awarded to Drivers and Navigators.

Championship awards will be given to the drivers and navigators, who have scored the highest number of points in the qualifying events, according to the following table.

Events Run:	Results to Count:	Events Run:	Results to Count:
14 or over	Best 8	12 or 13	Best 7
10 or 11	Best 6	7, 8 or 9	Best 5
5 or 6	Best 4	Less than 5	All results to count

In the event of a tie between two or more competitors, Championship placings will be awarded to the competitor scoring:

- (a) The highest number of maximum scores, continuing down the table of scores including dropped scores until the tie is resolved.
- (b) The highest number of event class wins followed by event positions (2nd, 3rd etc.)
- (c) Their Championship score in the fewest number of events.
- (d) Where appropriate, the competitor who has achieved their score by beating the highest number of competitors will be the winner.
- (e) If a tie still exists the position shall be held jointly.

Reason: As the number of rounds increases, so does the cost of competing in the Championship. This amendment is designed to keep the costs down.
